

Community Day

Saturday, April 24 • 10:00 AM - NOON

Meet at Roudebush Farms Community Parks

Come join your neighbors for a little spring cleaning!

The Roudebush Farms Property Owners Association is looking for volunteers to help pitch in and clean up the parks, ponds, and common areas; weed and trim the community entrances; mulch the playgrounds; and get our neighborhood in shape this spring.

So, grab your spare trash bags, rakes, shovels, garden tools, and work gloves and join in the fun.

All volunteers are invited to a cookout at 1 p.m. at 11075 Godfrey Drive following the Community Day clean up efforts.

In the event of rain, the Community Day will be rescheduled for Saturday, May 1, 2010.
