

Hello Neighbors and Swimmers:

It has been a long winter but it is time again for some fun in the sun! We hope you enjoyed your swim season last year and we look forward to making any necessary improvements throughout this season as well.

Pyle's Pools will be responsible for our maintenance and lifeguard management for the 2011 Swim Season. Please notify the lifeguard on duty of any problems. If you believe action is needed which cannot be handled by talking with a lifeguard, please contact us at [board@roudebushfarms.org](mailto:board@roudebushfarms.org); or contact one of the representatives listed below. For the safety of all our swimmers, we need to know as soon as possible if there are questions or concerns.
