

Welcome to the 2017 Roudebush Farms

Hello Roudebush Farms Neighbors!

We are excited to start another swim season at the Roudebush Community Pool. Pyle's Pools will once again be responsible for our pool maintenance and lifeguard management for the season.

If you have any problems while visiting the pool this summer, please notify the lifeguard on duty. If you believe action is required which cannot be handled by talking with a lifeguard, please contact the Roudebush Farms Board at board@roudebushfarms.org or the Pool Committee at pool@roudebushfarms.org. For the safety of all our swimmers, we need to know as soon as possible if there are questions or concerns.

- If unpleasant weather exists at 7 p.m., the pool will not reopen the rest of the day.
- An "Adult Swim" period shall be called for 10 minutes during every hour the pool is open. During this break, the Main Pool will be closed to persons under the age of 18.

- Proper swimming attire is required. Street clothes are not permitted in the pool.
- Personal radios are only permitted when used with headphones.
- Please be considerate of other residents when inviting guests to the pool. No more than four guests per household are permitted at one time and must be accompanied by an adult homeowner. The homeowner must be present and is responsible for the behavior of guests at the pool. A guest is defined as someone who is visiting your home for a limited time and does not include residents from nearby neighborhoods who want access to the pool.
- No food or drink shall be permitted in the immediate area of the swimming pool. A screened-in patio is available in the pool area for food and drink consumption. Beverages must be in non-breakable containers, and trash should be disposed of in designated containers.

- Each household is assigned a pool card for entry to the pool. Please be sure to bring your card with you and do not request or grant access to others at the pool without a card.

Additional Wading Pool Rules:

- Lifeguards are not responsible for the supervision of children using the wading pool. A parent or responsible adult should be within the gated area and supervising at all times.
- The wading pool is for guests 5 years of age or younger.
- All children requiring diapers shall use plastic pants with tight-fitting elastic at the legs and waist or a swim diaper. "Accidents" in the pool require a mandatory 24-hour closing and chemical treatments.
- Do not change diapers at poolside. Please use the provided restroom facilities.

The safety of our swimmers and other pool patrons is our primary responsibility. Roudebush Woods, Roudebush Farms, and Pyle's Pools reserve the right to eject swimmers or other pool patrons for gross negligent behavior or repeated rule offenses.

By entering the pool area, residents and their guests agree to abide by all pool rules, whether posted on the premises or listed in this document. Most of these rules are mandated by the Indiana State Department of Health. Parents please go over these rules with your children. Refusal to follow pool rules may result in dismissal from the pool and/or the pool area.

As stakeholders in the community pool, all homeowners have both the authority and the responsibility to remind any person in the pool area of the rules and regulations and to address any violations or behavior that is out of line. If you and/or a lifeguard are unable to resolve violations, please report the issues to the Board immediately.

Patio Reservations:

In order to allow all our residents more access to the pool, residents may reserve the screened-in patio for up to two hours. There is no cost to reserve the patio. Access to the pool will continue as normal for other residents. To reserve the patio, please email pool@roudebushfarms.org and fill a Pool Patio Reservation Form, which can be found on the neighborhood website at roudebushfarms.org.

Thank you. Let's have a safe and fun summer!
